

When firefighter Randy Bogart perishes in the arson fire at an abandoned brewery known as the Brewmaster's Widow, Death Bogart and his girlfriend Wren Morgan travel to St. Louis, Missouri, to find closure. They discover that Randy left his badge behind at the firehouse before going to the brewery. But the coroner finds another badge on Randy's body, leaving Death and Wren with more questions than answers. Desperate to know what really happened, Death and Wren begin to investigate. Their digging leads to a connection between Randy's death and the mysterious Cherokee Caves once used by nineteenth-century beer barons. But the Brewmaster's Widow is jealous of her secrets. Prying them loose could cost Death and Wren their lives. Praise: There are fewer auctions in this second series entry, but readers won't mind as the twisty, Hitchcock-style plot unfolds . . . Ross is an author to watch. Booklist "The second case for Death and Wren uses an intriguing premise to flesh out the charming detective duo." Kirkus Reviews Lively. Publishers Weekly
