

In Dallas, Texas, a legacy is continued by Colette Cole Washington. She owns Maxis Place, a popular jazz nightclub reminiscent of a bygone era. Executive Chef Tasha Haynes operates her kitchen in military fashion and creates a delectable menu to entice famished customers. Their failed relationship affects employee morale and current love interests. Ironically, it is this underlying tension that contributes to the success of Maxis Place. An ensemble of supporting personalities adds their own dramatics to the plot. Musician Bailey Thompson is on the fast track to stardom after an upgrade from the bar and a slew of jilted lovers trailing behind. Her best friend, Logan Evans, leads the bartending crew and fights for her sanity. Daniel St. Clair hides behind a facade of indifference, keeping an eye on all the action. Enter the newcomer, Ava Russell, a college student with lofty ambitions and a weakness for romance. Sooner or later everyone slides through Maxis Place. Good food, good music, and good company make up the pieces of a memorable evening.
