

What if the beautiful, bewitching woman you were falling for wasn't what she seemed? Zelda Sterling has lived a life of hard knocks, but things finally seem to be going her way. Her estranged grandfather has provided for her in his will, and the beautiful old Victorian house in Clover Hill, NY is now hers. But there are some strange things that go along with this unexpected inheritance, like her stunning new neighbor, Jessica Midnight: the mysterious woman behind the housing development Midnight Estates, and the woman who, from the very first meeting, captivates Zelda. And then there's Trista, the strange, infuriating--and yet alarmingly attractive--security guard at Jessica's gated community. But things aren't exactly as they seem in the sleepy little town of Clover Hill, and wolves can come in all shapes and sizes. Can Zelda unravel the mystery of her own past and the sinister circumstances she's now plunged within? And can love be found in the arms of a woman who has dark secrets of her own? This is the complete collection of all three MIDNIGHT ESTATES novellas, about a woman who must choose between two loves and the heartache and passion it takes. This stunning paranormal collection contains the three complete novellas in the series: House of Secrets, Truth and Lies, and Captive Heart.
