

Originally published in 1924, this is a comprehensive guide to keeping the grey parrot. Grey parrots have long been a desired pet, one that will learn to talk and eventually become a valuable companion. However, they are not the simplest of pets to keep, and this book is a useful guide to preserving the health of a grey parrot and the best methods to employ to tame and teach a bird to speak. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Hesperides Press are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
