To further complicate matter, feisty Jaquisha Hawkins, the woman who found the body and, who happens to be a neighbor of the grieving widower makes her the perfect suspect. This bodacious suspect is causing trouble for this hard hitting detective who usually plays by all the rules, sending his heart into overdrive, leading him into a thrilling pursuit of the perpetrator deep into the bosom of the Cloud Forest of Costa Rica, and a riveting retrieving of the kidnapped victim in the Mexican Peninsula of Baja.
